When Home Care Stops Working

How families know when hourly help at home is no longer enough.

Coverage Gaps

- ☐ Unsafe when caregiver is not present
- ☐ Nighttime falls or wandering
- ☐ Missed meals or medications between visits
- ☐ Family fills too many unpaid hours

Cost Pressure

- ☐ Hourly care approaches assisted living cost
- ☐ Needs 7-day coverage
- ☐ Care needs keep increasing
- ☐ Family paying for house plus care

Safety Concerns

- ☐ Repeat falls
- ☐ Dementia-related wandering
- ☐ Emergency calls increasing
- ☐ Caregiver cannot safely transfer or supervise

Alternatives

- ☐ Increase home care hours temporarily
- ☐ Adult day or respite care
- ☐ Assisted living assessment
- ☐ Memory care assessment
